**PETITIONING THE COURT**

[ X ] To issue a warrant  
[ ] To issue a summons

The probation officer believes that the defendant has violated the following condition(s) of release:

Violation Number

Nature of Noncompliance

Condition No. (p): On September 19, 2006, O'Ree submitted a urine sample that tested presumptive positive for marijuana. O'Ree denied usage and sample was sent to the laboratory for confirmation. On September 25, 2006, the laboratory confirmed that the urine tested positive for marijuana.

"Refrain from any use or unlawful possession of narcotic drug and other controlled substances..."

Condition No. (q): On October 4, 2006, Eric O'Ree failed to appear for a scheduled urinalysis test.

"Submit to any method of testing required by the pretrial services officer or the supervising officer for determining whether the defendant is using a prohibited substance."

Supervision history of defendant and actions taken by officer: The defendant has been under supervision since March 8, 2006. Since then he has tested positive once for controlled substances. On May 22, 2006, the court was notified of the violation and advised that the defendant was reprimanded and the probation officer requested no further action since O'Ree was scheduled to begin inpatient substance abuse treatment. On May 24, 2006, O'Ree was enrolled in a 28 day inpatient substance abuse treatment program. He completed the program on June 21, 2006. Subsequent to completing the inpatient portion of his treatment, he was required to complete his aftercare treatment which consisted of several counseling sessions at night. O'Rees attendance to treatment has been sporadic and as a result, his schedule was extended in order for him to complete treatment with the necessary number of sessions.

U.S. Probation Officer Recommendation: Considering O'Ree's prior use of controlled substance and his denial of his current use along with his failure to report for a scheduled urinalysis and scheduled treatment sessions, it is respectfully recommended that a warrant be issued and O'Ree be brought before the court to determine why his bond should not be revoked.
